DIARY NOTES

25X1A ADD/A [REDACTED] 10 January 1953

25X1A6a [REDACTED] H

2. Matt Baird was in to discuss the procedural details necessary to change his status from an Air Force Colonel to a civilian employee in the event that he decides to remain with the Agency. I told him that this would take only a matter of minutes once he and the Director agreed that he should remain in civilian status.

3. [REDACTED] reports a successful conference with the Bureau of the Budget concerning financing of the Jackson Committee; \$50,000 has been set aside from the President's Emergency Fund for this purpose.

4. [REDACTED] were over to discuss the "employee category" paper which they are anxious to have presented to the Career Service Board at its next meeting. I told them that I would ask [REDACTED] to expedite coordination in an attempt to get it ready but could not guarantee that it would be completed in time. We also discussed the "oral examination" paper and I think that we are in general agreement.
